Please sign and date the form below if you are happy for your child,.....:

- b) To be given first aid or urgent medical treatment during any school trip or activity.

**Please note the following important information before signing this form:**

- The trips and activities covered by this consent include;
  - all visits (including residential trips) which take place during the holidays or a weekend
  - adventure activities at any time
  - off-site sporting fixtures outside the school day
- The school will send you information about each trip or activity before it takes place.
- Parents can, if they wish, tell the school that they do not want their child to take part in any particular school trip or activity as specified in the policy.

Written parental consent will not be requested from for all off-site activities offered by the school – for example, year-group visits to local amenities – as such activities are part of the school's curriculum and usually take place during the normal school day.
