OCTOBER 2019

October Outdoor fun!

This half term it has been the turn of Year 3 to enjoy Forest school sessions. Mr Askew & Mrs Terrell have been nurturing our fantastic children; encouraging them to push their boundaries, explore the wild outdoors and take managed risks. It's always brilliant to see the fun they get up to during their Thursday mornings, and the activities that they can engage in and learn from. Just look at those smiles....

Gold Book Winners- October 2019

Class 1- Jack, Edie, Harvey, Lewis, Sophie, Lily, Noah B Class 2- Lauren, Freya, Lila, Albert, Sophie H, George, Henry, Lucy

Class 3-Emily, James, Miles, Livia, Ezri, Niamh, Olivia, George. Class 4- Jimmy, Molly, Emmie, Alex, Florence, Ben, Harry T, Finnley

Class 5- Edward, Fraser, Natalie, Joe, Maya, Lily-Mae, Joshua, Jude

Car Park plea

It's that time of year again when it becomes all the more tempting to use the school car park. Unless you have a school permit issued by Mrs Smith in the office you must not use the car park in the mornings or after school.

Drop offs- Please can I remind you that morning 'drop offs' are for KS2 children only. Younger children must be accompanied into the school grounds.

Please also ensure that the drop off point is used and that children aren't running across the car park. If I feel that the situation out in the car park is becoming unsafe for our pupils I will have no option but to stop the drop off facility and close the school car park. I really don't want to make mornings more difficult for families BUT the safety of the pupils comes first.

With that said, please, if you are coming into the school car park come in slowly. I would rather families be 2 minutes late than an accident happen.

Please all be safe!

Goodbye Mrs McGrath

Today we say a sad goodbye to Mrs McGrath. Mrs McGrath has been a much valued member of our SEN support team here at school over the last couple of years and we will all miss her greatly.

Staring back with us after half term will be Miss Enoch. Miss Enoch will be working in Class 4, it's lovely to welcome her back to Fordham!

HOUSE POINT WINNERS

This month's winners have been.....

Perseverance House, Determination House & Inspiration

Our school curriculum

The new Ofsted Framework encourages schools to have a clear intent for the curriculum that they provide their pupils. That intent should be specific to the school, the area, and the local demographic. Here at Fordham we aim to ensure our curriculum is as engaging and exciting as ever! We work on a whole school themed curriculum, and are currently halfway through 'Good old London Town'. Lots of great learning has been happening across school, classes have been working on various skills when being geographers, artists, historians and writers. Classroom exhibitions are a little while away but I wanted to show you all some of the wonderful work that has been produced throughout school this half term.

THANK YOU!

This year's Harvest tea raised a wonderful £170. Thank you all for coming and for all of the amazing cake donations!
