

# A Guide to our Classes Website

Check this page weekly, as we will gradually add each weekly project as we have created them.

This will link you to the Curriculum Guide, explaining how our curriculum is set out this half term.

Here we still have all the links to the emails of class teachers, our SENCO and head teacher. Keep in touch and let us know how you are!

Here is a quick guide of how to upload your child's work onto Dojo for staff feedback.

If you have any questions or comments about our new-look curriculum you can email Mrs Crawley at this link here.

These are other educational websites you can go to and engage with to help with home learning.
